

FastNoise::GradCoord3D

```
graph LR; A[FastNoise::GradCoord3D] --> B[FastNoise::Index3D_12]
```

A diagram showing a relationship between two FastNoise classes. On the left, a gray rectangular box contains the text 'FastNoise::GradCoord3D'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'FastNoise::Index3D\_12'. Both boxes have a thin black border.

FastNoise::Index3D\_12
