

Map::LoadTileParameters

```
graph LR; A[Map::LoadTileParameters] --> B[Map::canHoldCreature]
```

A diagram showing a relationship between two map-related functions. On the left, a gray rectangular box contains the text 'Map::LoadTileParameters'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Map::canHoldCreature'. Both boxes have a thin black border.

Map::canHoldCreature
