

CombatHandlers

```
graph TD; A[CombatHandlers] -- 3 --> B[Creature];
```

A diagram showing a relationship between two entities. At the top is a light blue rectangular box with a black border containing the text "CombatHandlers". A vertical black line descends from the bottom center of this box, ending in a black arrowhead pointing downwards. To the right of the arrowhead is the number "3". Below the arrowhead is a white rectangular box with a red border containing the text "Creature".
